Four Pillars Rare Dry Gin

Four Pillars Rare Dry Gin is the flagship gin in the Four Pillars range. The gin is spicy but with great citrus, thanks to the use of whole fresh oranges, along with cardamom and coriander seed – it's a truly modern Australian gin.

The cinnamon and star anise add rich fruitcake tones, the Tasmanian pepperberry leaf provides warmth rather than heat, and the lemon myrtle is a beautiful alternative to lemon peel. This gin has won Double Gold twice at the San Francisco International Wine and Spirits Competition.

Four Pillars Spiced Negroni Gin

This gin was originally the result of a conversation between Cameron (our distiller) and Jason Williams (one of Australia's best bartenders) back in 2014 - they wanted to create a gin specifically for the Negroni. Something to cut through the Campari and vermouth.

Our Spiced Negroni Gin is a highly aromatic, rich and (yes) spicy, with great power and intensity. This gin has been awarded Master status at the Global Gin Masters two years in a row (2017 and 2018).

Four Pillars Navy Strength Gin

To make this gin we add native finger limes in the botanical basket, with some fresh ginger instead of our beautiful organic oranges, giving our Navy Strength Gin its signature power and intensity. The finger limes highlight the Asian spices like coriander and star anise, and are complemented by the fresh ginger. Then turmeric adds weight to the palate and a fresh but earthy quality, not unlike dill.

This is the most awarded Navy Strength Gin's in the world right now, having been awarded Best Gin at the Hong Kong International Wine and Spirit Competition 2016, as well as four times being awarded Master status at the Global Gin Masters (2015, 2016, 2017 and 2018).

****Four Pillars Navy Strength Gin is 58.8% ABV, The Duke will be serving 20mL nips of this gin. Please drink responsibly.***

EXPERIENCE

Four Pillars Gin x Herno Dry Island Gin

Introducing our SWEDE-AUS collaboration. Together Jon Hillgren (Found and Master Distiller, Hernö Gin) and Cam (Founder and Distiller, Four Pillars Gin) created a one-off gin embodying the best of both our worlds, a Dry Island Gin.

A tribute to our hot dry island continent and their country of thousands of islands. They distilled with juniper, coriander, river mint, roasted wattleseed, strawberry gum, lemon myrtle, and fresh lemons, plus meadowsweet from Sweden. The result is bright and lifted with beautiful citrus notes and a lovely floral cut-grass character.

Hernö Dry Gin

Hernö Gin is a round and smooth London dry gin, awarded with IWSC World's best London Dry Gin.

Hernö Gin has a round juniper character, fresh citrus notes and a floral complexity.

A rich and lightly oily texture characterizes Hernö Gin. Fresh, crunchy green and spicy notes of coriander. A mellow sweetness combined with vanilla and cassia bark.
